29 April 2010

Dear Parents and Carers,

As you will probably be aware, the whole school will be engaged in learning about Africa during Terms 5 and 6. Individual classes will be focusing on different aspects connected to Africa (please see class topic webs for further details) so each class will have a different, but very exciting, learning journey they will be embarking on.

As part of this work during terms 5 and 6 we have arranged a number of exciting and stimulating activities to enrich the learning for every pupil. This includes working with artists in African dance workshops, clay work, African story telling, singing, drumming, fabric printing, mask making, cooking and much more. Obviously these experiences are too expensive for the school to fund entirely, however by having artists coming to school they are significantly cheaper than taking the pupils out on multiple trips. Each class will have an educational trip off the school premises during the summer term but we have tried to base many experiences within the school and our grounds to try to get maximum value for money.

We believe that these activities really enrich the curriculum and bring learning to life for our pupils and we hope you will agree and feel able to support us. We would like to request that parents pay a voluntary contribution of £3 per child, or £7 per family if you have 3 children, towards the cost of these activities to make them possible.

We are always looking for parents and carers to join in and help with the fun so if you can spare any time and wish to help please sign below.

Many thanks,

All the staff at St Julian's Wellow
