1.0	General information
1.1	The School
	St Julian's Church of England Primary Academy is part of the Midsomer Norton Schools Partnership Multi Academy Trust. The school was established to serve all within its community and strives to offer a high quality education underpinned by a distinctively Christian ethos. The school is part of the Church Valley Federation with Shoscombe Primary School.
1.2	Who can apply for a school place?
	A parent, registered carer, or another person(s) who has an assigned responsibility for the child concerned (referred to throughout this document as 'the parent') may submit a school application on behalf of that child for any United Kingdom (UK) state funded school.
1.3	The child
	A child of statutory school age who resides within the UK has a right to receive an education. The child must, at the time of applying for a school place, be a UK citizen, or have European Economic Area Citizenship, or hold an appropriate Home Office Visa entitling him/her to reside in the UK.
1.4	The home address

	<p>For admissions purposes, the Admission Authority will consider the home address to be: The address at which the child concerned is living, at the time of application, for more than 2.5 school days per week, with the person(s) who has legal responsibility for this child. The home address should be clearly stated on the application form.</p> <p>Where the child will be moving to a new home address and the parent wishes this to be considered, one of the following documents, depending on the circumstances of the case, must be made available <u>at the time of application</u>.</p> <ul style="list-style-type: none"> • A legal 'exchange of contract' which confirms the purchase of the property • A copy of a formal tenancy agreement (minimum six-month term) signed and dated by the applicant and the Landlord for the property • For children of UK service personnel with a confirmed posting to the area of Crown Servants returning from overseas, an official letter confirming a relocation date and Unit postal address or quartering area address.
1.5	Siblings
	<p>The oversubscription criteria set out in section 4.1 of these Admission Arrangements prioritise applications for children with an older sibling attending St Julian's Primary School at the time of application who will still be on roll at the time of admission.</p> <p>If a parent wishes a sibling connection to be taken account of, the sibling's details must be provided on the admission application form and he/she must qualify as a full, half, step or adoptive brother or sister, or a child living for more than 2.5 school days per week within the same family unit and at the same home address.</p> <p>The Published Admission Number or admission limit will be exceeded, where necessary, in order that multiple birth siblings of the same family (twin, triplet etc.) can all be offered places, where otherwise one or more of these children would be refused.</p>
1.6	Waiting lists
	<p>When an admission application is refused, because the year applied for is full, the child's name will be entered onto a waiting list for that year group, which will be maintained until the end of the school year and then shut down. Names on the waiting list are held strictly in ranked order in accordance with the child's compliance with the Oversubscription Criteria. Each time a name is added, the waiting list concerned will be re-ranked. If a place becomes available in the appropriate year, this will be offered for the child ranked highest on the waiting list at that time. A child's name will be removed from the waiting list if a place is offered and accepted, offered and declined, or the parent requests the school, in writing, to remove his/her child's name.</p>
1.7	Misleading or false information
	<p>Should the Admission Authority become aware that a place was secured for a child at the school using misleading or false information, it will consider withdrawing the offer, or where a child has already started to attend the school may remove the child from the school roll. The circumstances of the case will be fully discussed with the parent and, if the decision is taken to withdraw the offer of a place, the application will be considered afresh, taking account of any new information.</p>

2.0	Starting School in September 2020 (The 'Normal' Admissions round)
2.1	The Published Admission Number (PAN)
	The PAN for foundation (reception) is 15. This is the number of places that can be provided according to the resources available and the need to maintain the size of the infant classes within the requirements of Infant Class Size legislation (30 children to each qualified teacher unless a child qualifies as a permitted exception in accordance with section 2.15 of the 2014 School Admissions Code). If 15 or fewer reception applicants are received for September 2020, every applicant will be offered a place for their child, without condition. If more than 15 applications are received, the Admission Authority will apply the oversubscription criteria in order to rank all the applications and identify a priority for the offer of places up to the PAN. Further places will only be offered where there is sufficient resource available to enable this.
2.2	Ensuring an 'on time' application
	For a child to start school in September 2020, the parent must complete the Common Application Form (CAF) available from the <u>home</u> local authority (the authority in whose area the child concerned lives). For the application to be considered as 'on-time' the CAF must be submitted to the home local authority by 23:59 hours on <u>15th January 2020</u> . The CAF may be completed and submitted using the home local authority's 'on line' procedure, or as a paper form. Full details about the application process and information about the schools in the local authority area are explained in the 'Composite Prospectus' document, which each local authority must make available on 12th September annually. For families living in and around Wellow, the <u>home</u> local authority is Bath and North East Somerset Council: www.bathnes.gov.uk
2.3	Late applications
	Local authorities must coordinate 'normal admission round' foundation (reception) applications until August 31st August 2020. If an application form is submitted to the home local authority after the application deadline of 15 th January 2020, it will be considered as a 'late' application and will not be administered until all on time applications have been processed, at which point there may no longer be a place available at the preferred school(s).
2.4	Notifying the application decision
	Parents will receive an admission decision in writing from the home local authority on or about 16 th April 2020, according to the procedure set out in this local authority's Composite Prospectus.
2.5	Education Health and Care plan (EHCP)
	A place will be provided for a child who has an EHCP agreed at the time of application, which names St Julian's Primary School as the education provider. This place will be allocated within the Published Admission Number (PAN) before the consideration of any other applications, or above the PAN if places have already been offered at that time.
2.6	Starting school on a full or part time basis
	A parent may apply for his/her child to start school for the first time in the September following the fourth birthday and, where a place is offered, may choose for the child to start full time from day one, or to attend on a part time basis until statutory school age, which occurs during the term following the child's fifth birthday.
2.7	Deferred entry to school
	When a child is below statutory school age, the parent may choose to defer his/her child's entry to school until later in the school year. However, parents cannot defer beyond the point at which the child reaches statutory school age, or beyond the start of the last term in the school year. The school operates on the basis of a six-term year.
2.8	Applying for 'delayed entry' on behalf of a summer born child (born 1st

	April - 31st August
	<p>A parent of a 'summer born' child entitled to start school in September 2020, may choose to delay his/her entry to school until September 2021, where the parent considers this arrangement to be in the best educational interests of the child. The parent may also choose to apply for the reception year in September 2021 rather than year 1. Please note: Although the Admission Authority must agree to a 'delayed entry' application being submitted for a reception place in September 2020, there can be no indication given as to whether a place will be available until the 2021 'normal admissions round' allocation exercise is complete. The following process will apply:</p> <ol style="list-style-type: none"> 1. The parent must submit an application to the home local authority during the 2020 'normal admissions round', making it clear in the text box on the application form that he/she wishes to delay the child's entry until September 2021. Where the intention is for the child to start with the 2021 reception cohort, this must also be clearly stated on the form. The Admission Authority will formally note the parent's instruction and will not process the 2020 application. Effectively, the child will no longer be part of the 2020 'normal admissions round'. 2. The parent(s) must then wait and make an entirely new application as part of the 2021 'normal admissions round' in accordance with the application process described in the home local authority 2021 5 Composite Prospectus document. This will be made available by the local authority on 12th September 2020. The parent should also take account of the 2020/21 Admission Arrangements applying to the school. 3. If the school is undersubscribed with reception applications for September 2021, the applicant will receive the offer of a place, without condition, for his/her child on or around 16th April 2021. If the school is oversubscribed with applications for September 2021, the published oversubscription criteria will be applied in order to rank all the applications received (including delayed entry applications) and identify a priority for the offer of available reception places. <u>Whether a place can be offered will depend on the outcome of the 2021 application ranking exercise.</u> 4. If the September 2021 reception application is refused, the right of appeal will apply. 5. If a parent delays a child's entry until 2021 and decides that the child should join Year 1 rather than reception, he/she will need to make an in-year application within six school weeks of the place being required.

3.0	Changing school – The 'in-year' application process
3.1	The Admission Limit
	<p>For each year group other than the reception year of entry (years 1 - 6), the Admission Authority will set a non-statutory admission limit as a guideline to the number of places available. Admission limits will be set in order to ensure 'the efficient delivery of education and the efficient use of resources' taking into account factors such as the statutory Infant Class Size limit, available budget, accommodation, the needs of the children and the specific resources required to support the children. Consequently, admission limits may be varied from time to time and so the number of places available may vary.</p>
3.2	Submitting an in-year application

	<p>If a parent wishes to apply for his/her child to join the school during the 2020/21 school year, the In-Year application form (Appendix B) must be completed and submitted directly to the school. This is available to download from the school website or a paper copy can be provided by the School Office. The In-Year Application Form may be submitted at any time but will only be administered during school term time and within six <u>school</u> weeks of the place being required, unless the application is for a child from a Service family or the parent is a Crown Servant returning from overseas. In these circumstances, an application may be considered further in advance if an official letter is provided with the application, which confirms a relocation date and Unity postal address or quartering area address.</p>
3.3	Applying for a year group other than the child's relative (chronological) age
	<p>The In-Year application will usually be submitted for the year group associated with the child's age, although a parent may apply for an alternative year if he/she considers this would be in the best educational interests of the child. In these circumstances, the application must be accompanied with as much information as possible to support the case for 'retaining' or 'accelerating' the child. It is for the Admission Authority to decide whether to support such a case and what is deemed to be in the best educational interests of the child concerned. If an application for a retained or accelerated year is refused, the Admission Authority will consider whether a place can be offered in the relative (chronological) age year group. The parent has the right to appeal the decision where a place cannot be offered in the relative year group. Retained and accelerated places secured through the in-year admissions process will be reviewed annually.</p>
3.4	The decision
	<p>On receipt of a signed and dated In-Year Application Form, the Admission Authority will evaluate whether a place can be made available without prejudicing 'the efficient delivery of education or the efficient use of resources' or breaching the statutory Infant Class Size Limit. The decision will be notified to the applicant in writing within ten school days of receipt of the In-Year Application Form.</p>
3.5	Accepting the offer of a place
	<p>Where a place is offered, it will remain available for the remainder of six school weeks from the date of the offer letter. If the child concerned is not attending school within this time frame, the Admission Authority will write to the applicant requesting an update and may, depending on the circumstances, withdraw the offer.</p>
3.6	Applying the Fair Access Protocol
	<p>Where it has not been possible to offer a place, the Admission Authority will consider the application against the criteria set out in the Bath and North East Somerset Council, Local Authority Fair Access Protocol (FAP), which is published on this authority's website. If the child concerned is without a school place and satisfies any of the FAP criteria, the In-Year application will be referred to the local authority, which may then decide to engage with the family and help identify a suitable educational placement without undue delay.</p>
3.7	Children issued with an Education Health and Care Plan (EHCP)
	<p>If a child is the subject of an EHCP, which names a specific school, his/her parents should consult the local authority that issued the EHCP before applying for the child to change school.</p>

4.0	The Oversubscription Criteria
4.1	Oversubscription

	<p>If there are more applications received at any one time than there are places available within the preferred year group (oversubscription), the Admission Authority will assess every application against the oversubscription criteria set out in section 4.1 and rank these applications in priority order, before any places are offered. The oversubscription criteria will also be applied to rank children’s names on a waiting list.</p>
4.2	The Oversubscription Criteria
	<ol style="list-style-type: none"> 1. A ‘looked after child’ or a child who was previously looked after by a local authority, but, immediately after being looked after, became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who, at the time of application, is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (section 22 (1) of the Children Act 1989 applies). 2. Children who at the time of application have an older sibling at St Julian’s C of E Primary School who will still be on roll at the time of admission and who live at the same address. 3. Children who at the time of application are eligible to receive a Pupil Premium or a Service Premium grant. 4. Children of permanent members of staff 5. Children not satisfying a higher criterion. <p>Notes:</p> <ul style="list-style-type: none"> • Refer to section 1.4 of these Admission Arrangements for the definition of ‘home address’ • Refer to section 1.5 of these Admission Arrangements for the definition of ‘sibling’ • The Supplementary Information Form applies for criterion 1, 2, 3 or 4(refer to section 4.5 of these Admission Arrangements)
4.3	Applying a distance measurement
	<p>In the event of oversubscription (more applications received than places available), the admission application ranking exercise (described in section 4.1) may indicate that the Admission Number/limit is reached part way through a specific criterion. In these circumstances, the ranked order for applications satisfying this ‘cut off’ criterion and any lower placed criterion will be determined by calculating the straight-line distance between each child’s home and the main entrance to the school. This will determine the priority order for these applications.</p> <p>In all cases, distances will be measured in a direct line from the address point of the child’s home address to the address point of a school as defined by the Local Land & Property Gazeeter (LLPG). Measurements will be determined using the Local Authority’s GIS computerised mapping system. The GIS system used within this LA would not be able to calculate a staircase measurement in the case of multi-level dwellings. If the distance between two children’s homes</p>

	and the school is exactly the same then a random allocation would be used for any such cases.
4.4	Applying a tie-breaker
	Where two or more distances are exactly the same and it proves necessary to rank the relevant applications, a priority for admission will be determined by the drawing of lots. This exercise will take place at the school and be supervised by a person entirely independent of the Admissions Authority and the school.
4.5	Supplementary Information Form
	A Supplementary Information Form (SIF) is provided on the school website (and at Appendix C). This is used to collect the information required to evidence that a child qualifies against oversubscription criterion 1, 2, 3 or 4. The SIF must be completed and returned directly to the school in accordance with the instructions set out in Part 3 of the SIF if the parent wishes qualifying information to be taken account of. If it proves necessary for the oversubscription criteria to be applied and applications prioritised, this information will be referred to. In some cases, a member of the Admission Authority, or an appointed agent, may need to contact the parent to discuss the information submitted on the SIF.

5.0	Lodging an appeal
5.1	The legal right to an appeal hearing
	The administration of school admission appeals is subject to statutory procedure set out in the 2012 School Admission Appeals Code issued by the Department for Education. A parent whose child is refused admission to the school is legally entitled to lodge an appeal against this decision. The refusal letter issued by the Admission Authority will explain how to complete this process using the Appeal Form which is available to download from the school website or from the school office.
5.2	The basis on which an admission application may be refused
	The Admission Authority can refuse to admit a child where a further admission would 'prejudice the efficient delivery of education or the efficient use of resources' or where the admission would breach the Government's statutory Infant Class Size (ICS) Limit, resulting in an infant teaching group of more than 30 children to one qualified teacher for part or all of the school day. In the case of an ICS refusal, specific conditions set out in section 4 of the 2012 School Admission Appeals Code are 'tested' at the appeal hearing by an independent appeal panel. The range of circumstances whereby an appeal panel might find in favour of an appellant are limited to the Appeal Panel's review of these conditions and the reasonableness of the decision.
5.3	The appeal timetable
	An appeals timetable is published on the school website by 28th February each year. This sets out the statutory time frame within which the Admission Authority will process any appeal lodged with the school.
5.4	Complaints about the administration of the appeals process

	The decision of an independent appeal panel is binding on all parties. However, where there is a concern that the appeal <u>process</u> has not been properly administered in accordance with the 2012 School Admission Appeals Code, a complaint should be raised with the Chair of Governors. Where no local resolution is reached the parent may escalate the matter to the Local Government Ombudsman.

Appendix C St Julian’s C of E Primary School – Supplementary Information Form

Part 1 The purposes of this Supplementary Information Form

This form must be completed if a parent wishes to provide supplementary information in order to confirm that his/her child satisfies Criterion 1, 2, 3 or 4 of the oversubscription criteria applying for St Julian’s C of E Primary School.

In the event that there are more admission applications received than places available within the required year group (oversubscription), it will be necessary for the Admissions Authority to rank every application according to the oversubscription criteria published in section 4.1 of the school’s Admission Arrangements. This will determine a priority for the offer of available places.

Part 2 Completing this Supplementary Information Form

The oversubscription criteria, which will require qualifying information, are set out on page two of this Supplementary Information Form (part 6). A child will only be prioritised against a particular criterion if a completed Supplementary Information Form is submitted in conjunction with the school admission application and in accordance with the procedure set out in part 3 below.

The required evidence must be provided to back up this claim.

Part 3 Submitting this Supplementary Information Form

The completed Supplementary Information Form must be submitted in accordance with the following requirement:

- For admission applications made as part of the ‘normal’ admissions round, which is coordinated by the home local authority (starting or transferring school in September 2020): - The admission application form must be submitted to the home local authority by **23:59 hours on 15th January 2020** and the Supplementary Information Form must be submitted directly to the school by the same date.
- For the applications in connection with a place required in any year group during the school year (In-Year Application) this Supplementary Information Form must be submitted directly to the school office with the Admission Application Form.

Part 4 Declaration

I confirm that the child named in Part 5 of this Supplementary Information Form satisfies the indicated criterion/criteria. I understand that any offer of a school place may be withdrawn where this claim is found to be misleading or false and that signing this declaration, I grant the Admission Authority permission to seek further confirmation where it is deemed necessary to do so.
