23rd June 2020

Dear Parent/Carer,

Coming soon: Online payments to school with ParentPay!

Starting Monday 22nd June 2020 we will be introducing a more convenient way to pay for school meals, and other school items online, using a secure service called ParentPay. This is likely not to take effect until September 2020 but we are setting this up before we go into the Summer Holidays.

ParentPay will be live at school on 4th July 2020 from this date we will be working towards no longer accepting cash and cheque payments, making the school a cash-free environment. Parents who need to continue making payments by cash may do so using the PayPoint network at local convenience stores.

Making secure payments online using your credit or debit card

ParentPay offers you the freedom to make payments whenever and wherever you like, 24 hours a day, 7 days a week - safe in the knowledge that the technology used is of the highest internet security available.

You will have a secure online account, activated using a unique username and password; you will be prompted to change these, and to keep them safe and secure. If you have more than one child at our school or children at other ParentPay schools, you can create a single account login for all your children.

Making a payment is straightforward and ParentPay holds a payment history for you to view at a later date; no card details are stored in any part of the system. Once you have activated your account, you can make online payments straight away.
