'THE HAPPY NEWSPAPER'

Good afternoon Sycamore.

This afternoon we'll be looking at 'The Happy Newspaper' and taking some time to look at some good things that are happening in the world right now!

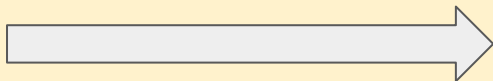

I've got a copy at home!

Now it's your turn!

If you have seen any facts here that you like, magpie them to make your own version of 'The Happy Newspaper'. OR you could research some happy facts of your own - this might even be something positive which happened where you live!

Copy the template

onto a piece of paper or anything else you may have near you to design your own page of happy news/positivity. Use your fantastic imaginations and creativity and once you're finished, you can upload to Dojo to show us (this is completely up to you).

Have a fun afternoon creating!
