## What is a prayer?

*A prayer is a message to a God to ask for help or to say thank you. Lots of different religions pray!*

**Activity 1:** Watch the video about Christian prayers.

**Activity 2:** Write a prayer.

You can either write a Christian prayer or you can write a non-religious prayer.

A non-religious prayer is a message for the world to hear. So instead of beginning your prayer with *Dear God*, you might begin your prayer with *Dear World*.

**Activity 3:** Decorate your prayer.

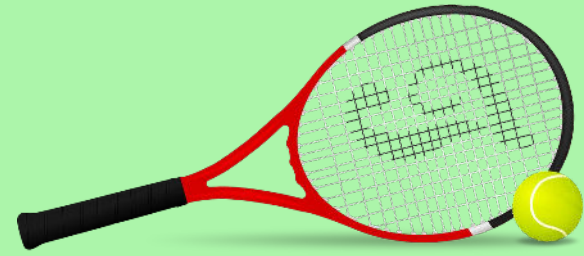

Give it a colourful border or draw a picture underneath.

*How long can you keep the ball balanced without dropping it?*

**Level 2** - Can you bounce the ball on the racket/book as you move?

**Level 3** - Create a small obstacle course and complete the course while balancing your ball on your racket/book.

**Reflection:** What tips do you have to help someone else be successful? How did you maintain control?

# THOUGHT OF THE DAY

TAKE A MOMENT TO PAUSE AND CALM YOUR MIND.

What is your favourite food?

What would be your dream meal?

Food is an important part of our lives. Without food we can't survive. Food gives us the energy to love, care and give to other people. It gives us a heartbeat and makes us energetic. We should be thankful.

*Go, eat your food with gladness and with a joyful heart, for God has already approved what you do.*
