IT'S WORLD BOOK DAY!

almost...

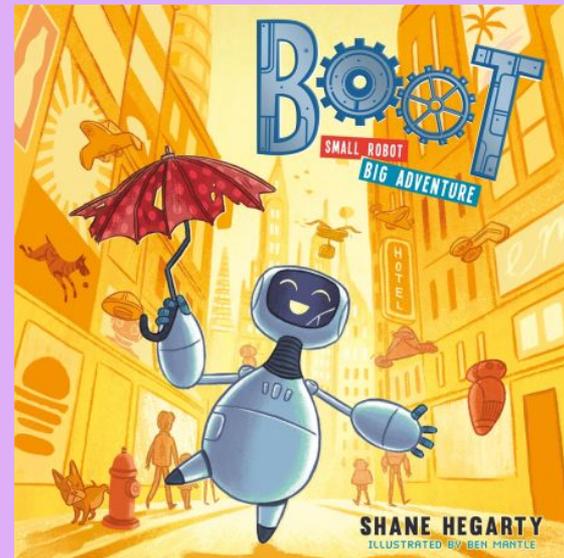

This Thursday it is
World Book Day
and to celebrate we're
going to share lots of books
this week and complete lots
of book activities.

Let's continue our new class story!

This book is called *Boot - Small Robot, Big Adventure*. It's about a toy robot who wakes up in a scrapyard and has no idea how it got there or where its owner Beth is.

WRITING ACTIVITY

Activity 1: Watch the video.

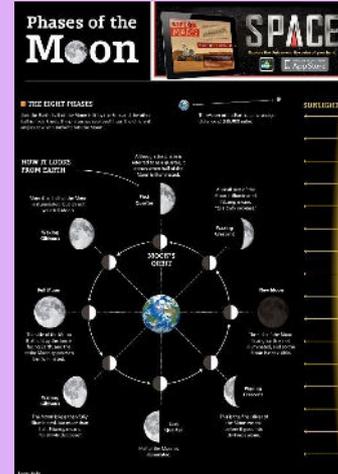

The story you're about to watch is filled with lots of facts about the moon. You might want to note down 10 facts you learn as you watch it, as that will help you do Activity 2.

Click on the picture to watch the video:

Activity 2: Create a poster about the moon using the information you learned from the video. Make the poster informative and eye-catching. If you want to do extra research about the moon click the link below:

Performance
PERFORMANCE

Can you improve on your attempts from this week?

P.E. CHALLENGE

You will need: a balloon (easy level), a ball or a pair of rolled up socks

Activity: Keepy Ups

Using your ball/balloon use your hand to tap the it up into the air.

How many times can you tap it without it hitting the ground?

Can you use both sides of the hands?

Challenge: Play with a partner and see how many times you can keep the ball up by taking it in turns to tap the ball. If you don't have a partner, you could use a wall.

Reflection: What tips do you have to help someone else be successful? How did you maintain control?

THOUGHT OF THE DAY

TAKE A MOMENT TO PAUSE AND CALM YOUR MIND.

Do your little bit of good wherever you are, it is those little bits put together that overwhelm the world.

What 'bit of good' can you do today?
Can you help someone at home?
Paint a picture for a friend?
Call up a family member and spread joy?

Turn from evil and do good;
seek peace and pursue it.
