**St Julian's Church School - Personal Development Timetable 2021-2022**

***Aim High - Believe - Succeed***

This overview helps us to plan our personal development for each year group over the year. We include references to SMSC, PSHE, Collective Worship, community projects, trips and visitors, opportunities to perform and opportunities to lead. We also recognise the need to plan for our children's physical and mental health and well-being. Our vision and values help to guide our plan for personal development.

**Vision and Values**

***Aim High - Believe - Succeed***

*We are a happy, inclusive school where everyone is valued. Through learning that is creative, rich and full of opportunities, we aspire to develop a love for learning rooted in Christian values. We encourage children to follow their dreams and have the confidence to be the best they can be.*

Our Core Values that we live and breathe every day are:

**Creativity, Respect, Aspiration, Joy, Kindness, Resilience**

St Julian's is a small school and through our collaboration with Shoscombe School and the Midsomer Norton Schools Partnership schools we believe firmly in branching out for support and growth. In addition to our school vision, we also share a joint vision with St Julian's rooted in the verse from John 15: 5, '**Jesus said I am the vine and you are the branches. If you remain in me and I in you, you will bear much fruit**'.

Our vision and values are firmly rooted in a Christian narrative and help to shape and inform day to day decisions and policies. We also celebrate moments in the day and week when individual children have especially shone in our school values – adding a leaf to our values tree in the school hall. We teach our children that it is important to value who we are as a small school but to also work closely with others in our local, national and international community. Our Christian values and trust in God binds us together.

**Pupil Voice Teams**

We have three teams of children who work on their own set of aims and objectives throughout the year, representing the pupil voice, reaching out to local communities and charities and helping to make our school a happy place to be. For 2021/22 these teams will also help introduce the new Trust Citizenship and Character Award.
